Reminder email sent out 48 hours before appointment

This easy to use booking system requires minimum information from parents which enables AlleyCatz to offer an even more efficient service as our Sales Team will be prepared in advance for the appointments.

Parents will not be able to make appointments by telephone and will be advised of the online service.

If personalisation on the school bags is required, it is suggested the relevant bags are ordered online 3 weeks in advance of the appointment so that they can be collected whilst in the Store.

Please be advised that our 28 days' return policy is extended during the Back to School period to enable parents the quieter months of June and early July in which to have a uniform fitting. However, please do retain the labels to enable an exchange.
