25th March 2022

Dear Parents,

As the final term of the academic year approaches, I would like to sincerely thank all our staff at Park Hill for their commitment and dedication in providing a high-quality education to all our pupils. It has been a very successful year at Park Hill with many of our pupils gaining places into excellent Independent Schools. I am delighted to also celebrate the notable success and wide participation across Music, Drama, Sport, after-school clubs and more this year. The quality of music and performing arts continues to set the very highest of standards as does the success in sport at an inter-school level and at a national level.

Over the past few years, we at ILG have consistently reviewed school fees, based upon market-specific and general economic conditions. We have tried very hard to make Park Hill the most affordable school in the area. Investing further in the quality of the teaching and facilities remains a key priority of ILG for all our schools. ILG is confident that we can continue to offer the very best education for your children, whilst being mindful of the turbulent economic conditions and significant hikes in energy costs that will affect the running of the school. To this end, the termly fees for the next academic year will be:

Tuition Fees:

Year group	Termly fee
Reception – Year 6	£3,930
Food	£295

I hope that you have a good Easter break and that the pupils return refreshed for a busy Summer Term.

Kind regards,

Amit Mehta

CEO and Founder of ILG
